

A Message From Diane

Hello Chaffey Members!

I have some exciting news to share about Chaffey FCU – our Rancho Cucamonga branch will be relocating! We have the opportunity to move to a new location on Foothill Boulevard, closer to the Victoria Gardens mall, with an expected October move in date. Keep an eye on our social media and website in the coming months to watch our progress!

We are also looking forward to completing some of our technology projects in July. One will provide you with a more streamlined loan application process; the other provides our staff with some much-needed efficiencies so that we can better serve you, our members, to the best of our ability. Take note of our hours of operation and branch closures on Page 5 for more details.

Congratulations on making it through another school year, and I hope you have something that excites you happening this summer. Whether that be travel, a remodeling project, or just spending some time at the pool, enjoy it!

Have a wonderful summer, and as always, thank you for your membership.

This was a great opportunity for us to get involved with our community and give scholarships to CJUHSD students in "Sweating for Scholarships"! Congrats to all graduating students, and thank you to everyone involved in this event.
